Newsletter

Dear Parents, Carers, Children and Staff,

Newsletter Date: 21/06/2024

We have had yet another busy week at Allesley this week and we are really excited to share with you the news that we have just ordered a wonderful cabin which will be used as an outdoor classroom for all of the children. We are going to continue our outdoor project with plans to put more cabins outside over the coming years. For us to be able to do this we will be planning lots of fundraising events. Here are a few words from Miss Fossey who is our Outdoor Learning Leader telling you a little bit about how outdoor learning is so valuable for the children.

"We are excited to share the incredible benefits of our enriched outdoor learning environment! This approach offers countless opportunities to enhance your child's education in a fun and engaging way. By integrating multi-sensory experiences, we ensure that every learner is captivated and that even abstract concepts become easy to grasp.

In our outdoor classrooms, children transform into active learners as they physically interact with their lessons. This hands-on approach not only makes learning enjoyable but also fosters autonomy and responsibility, greatly boosting their confidence and self-belief. By bringing learning to life in the great outdoors, we see children develop a genuine love for learning and even discover new passions" Miss Fossey

Do you work for a company which has a 'matched funding', 'matched giving' or '£ for £' scheme to support registered charities? If so, we would love to hear from you! If your company runs a scheme like this it could double our profits at certain events! For example, if we raised £300, the company would match that, making £600 total profit for the school and ultimately for our pupils. Please support us by asking the question and contacting us at admin@allesley.coventry.sch.uk if you can help. Thank you so much in advance!

Sunny days please can you ensure your child has a named water bottle and sun hat in school also please apply sun cream before school on warmer days.

Donation Day! We would like to say a massive 'Thank You' for all of the donations that have been sent in today for our Summer Fete, it really is very much appreciated.

Sweetie Bag Sale On the week commencing the 1st July, Year 6 will be selling sweetie bags to raise money for the school.

A slip will have gone home with your child this week, so please check their bags!

Please complete the slip with your child's name, their class, how many sweetie bags they would like to purchase as well as including the total amount in a sealed envelope! The sweetie bags will then be sent home with your child.

Scarecrow Competition & Allesley Festival Royalty we are very excited to say that the we have had lots of scarecrows entered into our competition again this year! They will be on display from Saturday 29th June in people's gardens! While you wait for our scarecrow trail to be ready to buy, don't forget to get your limited edition scarecrow badge from the school office for £1! All monies go to charity. Scarecrow trails will be on sale at the Post Office from **Friday 28th June**. Meanwhile, the Allesley Festival Royalty will be picked out tonight by last year's Princesses - we wish all of those who entered good luck!

Have a lovely sunny weekend

A massive well done to Harriet for recently completing her Snowdon climb. Harriet completed the climb in 6 and a half hours and raised over £3,000 for Children With Cancer UK.

We think you will agree that this is an amazing achievement. Well done Harriet we are so proud of you.

CONGRATULATIONS!

Celebrating our week

This week, Year 4 went on a school trip to Coombe Abbey to apply our learning from our Living Things and Their Habitats science topic. We went on a scavenger hunt, made woodland art and minibeast habitats before we spent the afternoon pond dipping and hunting for minibeasts.

This week as geographers, Year 3 enjoyed a fact-finding hunt about Allesley Village.

We had a great time in Reception at our sports day! We used lots of skills in the races and enjoyed cheering on our friends - we hope you had a nice afternoon too!

Year 6 leavers assembly rehearsals have been in full swing this week! We have been so impressed with the children's courage in trying something out of their comfort zone. Lots of children were keen to sing a solo which was wonderful to see! Well done Year 6!

Year 2 have been busy preparing art work for our Allesley Festival float.

Nursery children did a fantastic job on our Sports day, they listened well and did their best running. I'm sure their Grown ups were super proud of them as we

Look at our lovely Year 5 children recommending of Cressida Cowell's 'Wizards of Once' book series. They love drawing on the reading wall!

Year 1 have been working on talking in the third person and past tense. We have been working on these skills ready for writing out stories.
