Dear Parents, Carers, Children and Staff,

We have had a really busy week here at Allesley. I am so proud to hear how all the children have settled into their new classes and are embracing their learning with such positivity. A lot of the teachers have commented on how the children have drawn upon our school values of honesty, positivity, perseverance, respect, compassion and independence already in their learning and play, which is so lovely to hear. Also, I am really looking forward to meeting our new House Captains for the first time on Monday, I have lots of exciting things to share with them and I know that each and every one of them will be amazing!

The PTA will be holding their AGM on Wednesday 16th October straight after the school pick-up. The AGM will be the first agenda item of the school's staff meeting, and it would be great to see some of you there! It will take around 30 mins and school-age children are welcome to watch TV together in a neighbouring classroom.

What happens at the AGM?

We'll hear the Chair's report from Aly & Gemma, sharing fundraising highlights from the past 12 months, reflecting on lessons learnt and any new ideas/opportunities for the year ahead. Ilva will then share the Treasurer's report discussing funds raised and spent, and the next projects in the pipeline. And then of course we'll need to elect committee members for the next 12 months.

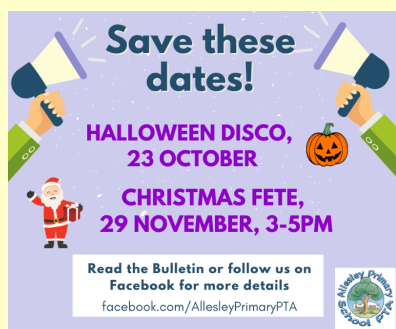

A reminder that our PTA committee includes Chair, Vice-chair, Treasurer and Secretary - each of these roles are explained here <https://pta.co.uk/running-a-pta/managing-a-pta/pta-committee-roles-and-responsibilities/>

If anyone is interested in any of these roles or would like to find out more, we'd love to chat, please email us at allesleyprimaryPTA@gmail.com

Have a lovely weekend,

L Hoey

Headteacher

Yoga

Reception, Year 1, Year 2, Year 3 & Year 5 are on Thursdays.

For this term the dates are-

September 12th, 19th & 26th

October 3rd, 10th, 17th, 24th & 31st

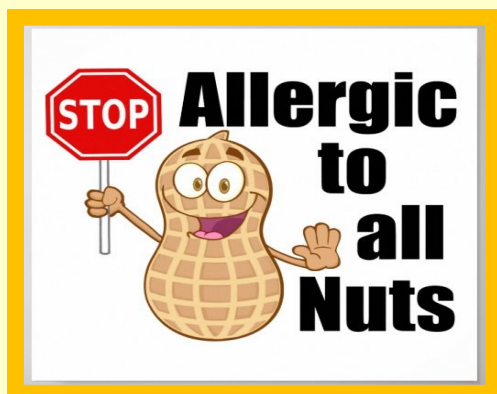

Year 4 & Year 6 are on Fridays.

For this term the dates are-

September 13th, 20th & 27th

October 4th, 11th, 18th & 25th

November 10th, 17th & 24th

There is a child in school who has a severe allergy to peanuts/nuts. It is important that we avoid this food in school to prevent a serious allergic reaction. We are asking that you do not send any peanut or nut containing products to school with your child for the break time snacks, in their lunchboxes or at any other times. Thank you.

New Clubs

Happy Birthday

Celebrating our week

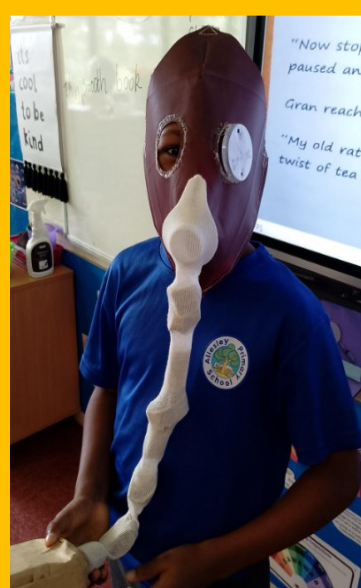

Year 4 learnt how to identify how sounds are made in this weeks science lesson. They focused on how we hear sounds, how sounds are made and what sends messages to our brains to tell us we have heard a sound. They also used sugar and a drum to prove that vibrations create sound.

This week, year 3 have been finding different ways to make numbers using the base 10 equipment. Exchanging ones for tens and back.

This week the children in Year 2 recreated their map drawings from last lesson as a 3D piece of artwork.

This week in English Year 5 have read a portal story and were transported back to World War II when we put on the gasmask!

This week Year 1 had there first music lesson with Mrs Edwards, learning the pulse of music. We used our different parts of the body to stay in time with the music.

Year 6 have begun some work with sculpture. Our first piece is based upon relief where representative shapes are built up from the page.
