

Our Whole School Community Expectations

Please note:

Teachers are available to be contacted, via the school office, between 8.00am – 8.30am or after school Monday to Friday until 4:15pm

If you need to email the class teacher, please send all correspondence to admin@allesley.coventry.sch.uk – Please do not email the teacher directly, thank you.

We would like to emphasise the importance of being in school on time as there have been numerous incidents of some families routinely arriving at school at 9.00 a.m. or later and collecting their children at 3.30 p.m. or later.

Our school times are: 8:55am until 3:20pm for Key Stage 1 and 3:25pm for Key Stage 2. Our gates open at 8:45am and shut at 9am in the morning and open at 3:15pm and shut at 3:35pm in the afternoon.

School starts at 8.55 a.m. every day. Children need to be in their class at 8:55am so that they can start their lessons promptly. Children who arrive late are greatly disadvantaged because they miss starting the day with their peers and the beginning of lessons. This means that they are often unsettled and confused about tasks. Their teacher will not always be able to re explain work. We also think

it is very important that you pick up your child promptly as many children get anxious when they are not collected on time. We will have to charge for persistent late collection.

It is also very important that children establish good routines and habits in preparation for the rest of their lives. Punctuality is a life skill that they need to develop whilst they are young.

If you are experiencing difficulties with punctuality and would like to talk to us about it, please make an appointment to see Mrs Hoey or Mrs Sharp.

Rationale:

At Allesley Primary School we believe staff, parents and children are entitled to a safe and protective environment in which to learn and work. Behaviour that will cause harassment, alarm or distress to users of the premises is contrary to the aims of the school. We would like everyone to abide by our school values which are respect, positivity, honesty, compassion, independence and perseverance.

Aims:

- That all members of the school community treat each other with respect and compassion.

Expectation:

- That all adults set a good example to children at all times, showing them how to get along with all members of the school and the wider community.
- That no members of staff, parents or children are the victims of abusive behaviour or open to threats from other adults on the school premises.
- Physical attacks and threatening behaviour, abusive or insulting language verbal or written, to staff, governors, parents and carers, children and other users of the school premises will not be tolerated and will result in withdrawal of permission to be on school premises.
- Any parent who is asked to leave the school premises will have the right to appeal the decision by writing to the Chair of Governors

Please note that incidents of rudeness will be logged with the Chair of Governors.

Persons Causing Nuisance / Disturbance on School Premises

Section 547 of the Education Act 1996

School premises are private property and parents have been granted permission from the school to be on school premises. However, in case of abuse or threats to staff, pupils or other parents, school may ban parents from entering school.

It is also an offence under section 547 of the Education Act 1996 for any person (including a parent) to cause a nuisance or disturbance on school premises. The police may be called to assist in removing the person concerned.

School is not responsible for organising arrangements for children in the above circumstances. Parents will need to provide alternative arrangements for bringing children into school.

Guidelines:

Types of behaviour that are considered serious and unacceptable and will not be tolerated towards any member of the school community:

This is not an exhaustive list but seeks to provide illustrations of such behaviour:

Shouting, either in person or over the telephone

- Inappropriate posting on Social Networking sites which could bring the school into disrepute or be deemed as bullying
- Speaking in an aggressive/threatening tone
- Physically intimidating , e.g. standing very close
- The use of aggressive hand gestures/exaggerated movements
- Physical threats
- Shaking or holding a fist towards another person
- Swearing
- Pushing
- Hitting e.g. slapping, punching or kicking
- Spitting
- Racist or sexist comments including sexual innuendo

Inappropriate use of Social Networking Sites:

Social media websites are being used increasingly to fuel campaigns and complaints against schools, Headteachers, school staff, and in some cases, other parents/pupils.

The Governors of Allesley Primary School considers the use of social media websites being used in this way as unacceptable and not in the best interests of the children or the whole school community.

Any concerns you may have must be made through the appropriate channels by speaking to the class teacher, Senior Leader, the Headteacher or the Chair of Governors, so they can be dealt with fairly, appropriately, and effectively for all concerned.

In the event that any child or parent/carer of a child/ren being educated in Allesley Primary is found to be posting libellous or defamatory comments on Facebook or other social network sites, they will be reported to the appropriate 'report abuse' section of the network site. All social network sites have clear rules about the content which can be posted on the site and they provide robust mechanisms to report content or activity which breaches this. The school will also expect that any parent/carer or pupil removes such comments immediately.

In serious cases the school will also consider its legal options to deal with any such misuse of social networking and other sites. Additionally, and perhaps more importantly is the issue of cyber bullying and the use by one child or a parent to publicly humiliate another by inappropriate social network entry. We will take and deal with this as a serious incident of school bullying. Thankfully such incidents are extremely rare.

Unacceptable behaviour may result in the Police being informed.

The school reserves the right to take any necessary actions to ensure that members of the school community are not subjected to abuse.

Parents have the right of appeal by writing to the Chair of Governors within ten days of permission to enter the school premises being withdrawn.

Responsibilities:

It is the responsibility of the Headteacher and Governors to monitor and review this policy.

Appendix 1

Procedure to address inappropriate behaviour by adults on the school site

At Allesley Primary School we operate a 'zero tolerance' of the use of inappropriate behaviour anywhere on the school site.

***Inappropriate behaviour means disrespectful conduct towards people or property within the school site.*

Our School Community expectations:

- That adults always set a good example to children, showing them how to get along with all members of the school and the wider community.
- That no members of staff, parents or children are the victims of abusive behaviour or open to threats from other adults on the school premises.

All staff and governors agree that any adult found to be using inappropriate behaviour towards other adults or children should be dealt with using the following steps:

An adult approaches another child	The adult will be spoken to immediately and the issue investigated by a school leader. This will be reported to the Headteacher and recorded. The adult will receive a warning letter.
A parent approaches another parent.	The parent should report this to a member of staff or a school leader. The offending parent/s will be spoken to as soon as possible after the incident and reminded that we have a zero tolerance of inappropriate behaviour. A letter will be given to the parent/s. This warns a parent that if it reoccurs, they could be banned from the school site under section 547 of the Education Act 1996.
A parent approaches a member of staff.	This should be reported immediately to a member of the Senior Leadership Team. This will be investigated as soon as possible, and the member of staff will be informed of the action taken. The parent/adult will be spoken to and given a warning letter. This warns a parent/s that if it reoccurs, they could be banned from the school site under section 547 of the Education Act 1996.
A member of staff approaches a parent.	Please follow our formal complaints policy which can be found on our website: https://www.allesleyprimary.co.uk/

Recurring inappropriate behaviour.	If a parent/s continues to use inappropriate behaviour, they will be referred to the our whole school community expectations policy. This indicates how anti-social behaviour, when not corrected, can lead to interviews with the HT and Governors. This can then lead to a ban from the school site under section 547 of the Education Act 1996.
