Newsletter

Dear Parents, Carers, Children and Staff,

Newsletter Date: 25/10/2024

Happy Holidays! I would just like to say a huge thank you to all our parents and carers for all your kind words and support on our return to school. I also would like to take this opportunity to thank our staff and children too; I cannot praise them enough for their resilience, positivity and all the hard work that they have put into this half term. I hope you all have a wonderful holiday and a well-deserved rest next week. I have no doubt we will all return refreshed and ready to embrace the run up to Christmas, which is just around the corner!

PTA Bag2school clothes collection Monday 11th November, 9am. If you have good quality clothing which you're not going to use then please put it in a bag and bring it to school from Monday 4th November. Bag2School will pay PTA for your unwanted items and we'll invest that money in equipment for school. Important - Bag2School does not accept school uniform - but PTA does. Please keep it separate and leave it at the school office any time.

Thank you for the donations of sweets and chocolates for our Christmas Festival on 29th November. The festival will include plenty of games and activities for the children so your donations will be really great as prizes. We do need volunteers to help run the festival. Could you give 30 mins between 3pm and 5pm to help with a game, activity or sell sweets or snacks? If so, please email allesleyprimarypta@gmail.com. Your children are very welcome to get involved too.

Thanks to everyone who came to, and helped run, the PTA Halloween discos last night. The children looked amazing - we hope you all have just as much spooky fun over half term. We'll confirm how much the disco raised after the holidays.

Have a lovely half term, see you on Monday 4th November

Headteacher

Year 3 and 4 had a visit from Mrs Eze to talk to us about significant individuals from black history, which was a lovely way to bring our black history month celebrations to an end. It was lovely to hear all of the amazing things that have been accomplished by these amazing people. We can't wait to share all of the black history month competition entries after half term.

RAIN

A poem by Lily B Year 6

As I fall from the sky, I
See a bird taking a drink
In the small puddle.
I land with a splash on
A tree branch, as a dog
Plays in the mud near me.
I fall from branch to branch
Watching the world around me in wonder.
Everything is beautiful,
From the noise of the rain
To the fact it won't last long.
As my mind dashes through these thoughts
I fall... hoping I land in a puddle.
I feel the wind blow the trees.
My final destination,
Um...? at first I don't know where I land
But as I think I realise I'm in a bucket
A few minutes later the rain stops
and a small boy picks the bucket up
And pours me into a well
I guess this is my new home.

Christmas Festivities

*Two tickets will be allocated per child for the performance at All Saints Church.
*Year 3 and 4 will perform the same concert twice to accommodate the parents of both year groups. Year 5 and 6 will also do the same. Therefore, if you have children in more than one of the year groups performing on that day you will only need to attend one of the performances. Each performance will last approximately 20-30 mins.

celebrating our week

Some children from **Year 4** were a credit to our school this week, taking park in a city wide dodgeball tournament. They focused on three values, Honesty, Respect and Teamwork and thoroughly enjoyed themselves.

In **Nursery** we have been learning about Halloween. We became witches then made our spooky potions and spells. We learnt how to fill pipettes and then squirt the water into our potion bottles and cauldrons.

In **Reception** we have had a 'Room on the Broom' week exploring, dressing up and getting creative!

This week **Year 2** went on a technology safari. We went around the school and found all the different types of devices we use in school.

This week, **Year 3** enjoyed a trip to All Saints church to find out what it means to be a Christian in Britain today.

Year 1 have loved exploring lines with different media this week.

This week in **Year 5** Theme the children learnt about different types of air raid shelters and experienced an air raid in the classroom.

Year 6 enjoyed creating their own experiment in which they made yeast react and 'wake up'.
