Dear Parents, Carers, Children and Staff,

Newsletter Date: 29/11/2024

The countdown to Christmas is officially on! We can hear Christmas songs being sung up and down the school corridors... Primary schools really are the most magical place to be at Christmas time. We have decorated the school ready for our Christmas celebrations and we are busy today preparing for our Christmas Fete. It is a busy time in school, with lots of hard work being put in by our staff and the PTA. It is always great to see the community come together for the festivities and ultimately to support the PTA in raising money for much needed resources across school. We hope you were able to join us at 3pm, and we look forward to seeing you all over the coming weeks when the children will be entertaining you with their Christmas festivities and sharing the Christmas spirit.

Nut allergy please can we remind you that we are a nut free school. Packed lunches should not contain any products that contain nuts, or have been made in a factory that has cross contamination with food preparation equipment.

Have a lovely weekend

L Noey
Headteacher

Children all through school have been busy learning their lines and songs for their upcoming Christmas celebrations which are sure to be very exciting and festive!

Our Christmas raffle just got bigger! Thank you to everyone who has donated fantastic prizes. Don't forget to return your ticket stubs and payment by Wednesday 4th December to be in with a chance of winning!

Christmas Eve Trays

Hi there,
You may all know me from the school office, but I have recently set up a business making personalised goods, window and mural painting. It is my pleasure this year to donate one of my beautiful Christmas Eve Trays to the PTA raffle. The tray can be used all year round for crafts and those cheeky TV dinners. Included is an array of stickers, Christmas treats, sweets, a little toy, colouring/activity book and pens or crayons and a drinks bottle/cup. The tray is also personalised to your child's interests, so it really is super sweet. Buy a raffle ticket to be in with a chance of winning one, but if you would like to order a tray for your loved ones then they are available for £25 including all of the treats! If you order one and then win the tray on the raffle I will refund your money. Please get in touch via Instagram @stick.andinkdesigns or Facebook: Stick and Ink Designs
Thank you for your support,
Jo Shenton

DATE

Christmas Festivities

- *Two tickets will be allocated per child for the performance at All Saints Church.
- *Year 3 and 4 will perform the same concert twice to accommodate the parents of both year groups. Year 5 and 6 will also do the same. Therefore, if you have children in more than one of the year groups performing on that day you will only need to attend one of the performances. Each performance will last approximately 20-30 mins.

celebrating our week

To end our theme about Birthdays we made jelly this week in **Nursery**. We used our scissor skills to cut the jelly into pieces, then we saw how it changed from solid and wobbly to liquid, then after we'd put it in the fridge back to solid and wobbly again. Then we enjoyed eating it.

Reception children have been writing letters to Santa and creating a wish list stocking, to get ready to post to the 'north pole'.

Year 5 had a super lesson learning about 'search engines' in Computing this week.

Year 4 have been practising their hockey skills in Games this week.

In **Year 2** we learnt about the term 'offspring' and used it to match and sort animals to their baby animals. We then explored and classified which animals look like their offspring and which don't.

This week **Year 6** have been using clay to create their own vase. We used Ancient Greece pottery as inspiration and have learnt how the Greeks used pottery to share stories and events from Ancient Greeks times. Next week, we will paint and decorate our pots using designs inspired by the Greeks.

Year 1 have been exploring toys from different time periods and making a human timeline to order their toys.

This week, **Year 3** have been learning about the beliefs of the Ancient Egyptians by mummifying tomatoes!
