Newsletter Date: 20/12/2024

Dear Parents, Carers, Children and Staff,

What a busy few weeks we have had here at Allesley! Thank you all for your continued support, all your kind gestures and words over the last term have been greatly appreciated! I wish all our family and friends of Allesley Primary School a wonderful Christmas and all my very best wishes for the New Year!

**Sssshhhhh Room** Once again, the Sssshhhhh Room has been a massive success. The children had so much fun picking gifts for family and friends and having their gifts wrapped all ready to put under their Christmas Tree. We made over £1,512, which we think you will agree is an amazing amount. A big thank you to everyone who donated gifts and to all of the children who visited the Sssshhhhh Room. We will update you on how the monies will be spent once we have met with the School Council in the new year.

**Dinner money** As we are at the end of the Autumn term, please make sure your child's dinner money is up to date. Thank you.

**Casual Lunchtime Supervisor** we are looking to recruit a casual lunchtime supervisor to join our friendly team. If you are interested in the position please contact the school office in January for more information.

Please be reminded that Monday 6th January is a Teacher training day and children return to school on Tuesday 7th.

Have a great Christmas & a fantastic new year!

*L Hoey*

Headteacher

Year 6 competed in the school sports hall athletics competition this week. Displaying a wonderful team spirit, huge amounts of talent and bucket loads of determination, they were victorious by a narrow margin of 2 points. Well done year 6 a great reward for all your practise.

**Poppy's thought of the week...**  
 Wishing you a howling good Christmas may you get everything you barked for, here's to a pawsome 2025

**Attendance**  
 Week beginning 9th - 13th December 2024  
 Highest Year 6 Mrs Clay class 98.70% Attendance.  
 Whole school 95.61!  
 Our school percentage is above the National average

# Celebrating our week

Year 4 displayed their Christmas village they had made during combined Science and DT, and invited Year 3 to come and see them. They designed and made each house and lit them up using a circuit. Altogether they looked magical!

Year 1 had a wonderful Christmas party and enjoyed making reindeer food.

Look at our wonderful Year 5 homework, we are so proud of all the effort the children have put in over the last term.

This week, Year 3 enjoyed making Egyptian collars. They learnt how to use running stitch, cross stitch and appliqué to decorate a collar to reflect their personality.

We had a wonderful visit from Santa at our Nursery party, he brought his reply to all our letters we had written, had we had a great time singing some of our Christmas songs to him!

Some of our lovely Year 6 children have been getting ready for our new topic after Christmas - they are so creative. We really don't know what we would do without their help!

The Reception children loved their visit from Santa! They all joined in with singing Christmas songs, and told Santa what they were leaving out for him and his reindeers on Christmas eve.

This week Year 2 created their own chairs using paper. We were all surprised how strong paper can be when it is folded in certain ways.
