# Newsletter

Dear Parents, Carers, Children and Staff,

Newsletter Date: 14/02/2024

At Allesley this week, the children have been very busy and looking forward to breaking up for a restful, half term break. Year 4 have finished their tennis lessons in Games and are very proud of the skills they have learned. Tennis has been a focus across the school for most year groups and it has been nice to see them enjoying this sport. This week has been Internet Safety week and the focus in assembly was how to stay safe and avoid scams. The children know to ask an adult if they feel that something isn't quite right whilst they are online.

We are now looking forward to rolling out our new, delicious menus after half term and will be having a focus on healthier lifestyle choices, so watch this space!

**Our new Spring term menu** Thank you to those that have submitted their lunch preferences, however We still have responses outstanding please can log on to mc@s and complete the form so that the new menu can go live on Monday 3rd March.

**Dinner money** please make sure your child's dinner money is up to date. We would like to take this opportunity to remind all parents/carers that school dinners must either be paid for on the day the school dinner is taken or in advance. You can also pay half termly or termly.

**Casual Lunchtime Supervisor** we are looking to recruit a casual lunchtime supervisor to join our friendly team. If you are interested in the position please contact the school office for more information.

**Warwick Castle** is offering a special 40% discount on gate price tickets for residents in postcodes B, CV, MK, and OX. This means tickets start from £17.40. The offer is valid until March 31st (excluding February Half Term and Saturdays). You can find all the details on their website.

**Cake Sale** Early years would like to hold a whole school cake sale on Wednesday 12th March at 2pm to raise money for our shared outside area. We shall be asking all parents to send in cakes from Tuesday 11th March.

**World Book Day** is Thursday 6th March to mark the occasion, we have a few exciting things happening at school and a competition we are also dressing up this year as our favourite book characters. A letter has been sent home from Mrs Manwaring and Mrs Clay with more detailed information

**Young Voices Concert Resorts World** Wednesday 26<sup>th</sup> February The children have been absolutely fabulous this week, we have even treated Mrs Hoey to a sneak preview. I have done as much as I can now to prepare our amazing singers but it is now over to them to practice, practice, practice over the half term holiday. We will meet again after half term for a full run through before what will be a spectacular performance.

Mrs Edwards.

Have a great half term see you all on Monday 24th February

PE Days:  
Reception—Friday  
Year 1— Wednesday  
Year 2— Thurs & Fri  
Year 3— Friday  
Year 4—Tues & Thurs  
Year 5— Wed & Fri  
Year 6— Friday

# A brilliant poem

## by Nell from Year 3

### My Dreams

I have just woken up  
I hope my dreams come true  
I dreamt of having a magical horse  
That flew and flew and flew

I also dreamt of flying high up into sky  
Randomly I fell back down  
I didn't even cry

Then I dreamt of magical powers coming into  
me

I accidentally turned my dog into a bumble bee  
He buzzed around all over the place

All I could was chase

Luckily it wore off

Now hes safe and sound

I'm never doing that again to my beloved hound

After that my next dream came true

I hopped onto an airplane and off we flew to  
Peru

Monday- KS2 Dodge Ball - Mr Barker  
 Tuesday - KS2 Girl's Football - Mr Knight  
 Wednesday - KS2 Hockey - Mr Barker  
 Thursday- KS2 Boy's Football - Mr Knight  
 Thursday - KS1 Gymnastics - Mr Barker  
 Friday - KS1 Football - Mr Barker

# Celebrating our week

This week, **Year 4** discussed the benefits of exercise on our mental and physical health and ended with some Zumba which everyone thoroughly enjoyed!

This week in Science **Year 5** have been comparing the size of planets using fruit.

**Year 1** celebrated their learning about castles this week with a castle and knights themed day. They began the day by going to knight school where they passed a knights training course and made their own coat of arms. They then attended musicians school where we used instruments to compose a medieval tune and performed to the queen. Finally, we went to black smith school where we made designs out of metal.

In R.E our **Year 6** children have created soul art as part of our unit : what do religions say when life gets hard? The children have been thoughtful and mindful of other's views in this topic and have learnt about many faiths and beliefs from non-faiths too.

The **Reception** children have been getting involved in various Gruffalo related activities and learning about describing words, and writing short sentences about the features of the Gruffalo.

This week in **Year 2** we had an art day where we used clay to make pots and tiles.

In **Nursery** we did a few different rainbow experiments, this one with the skittle sweets was our favourite.

**Year 3** have been using magnets to make their own games in science this week.
