Dear Parents, Carers, Children and Staff,

I am delighted to say our Year 6 children have returned safe and sound from their adventures at Dol-Y-Moch. They were well and truly soaked to the skin, but they all enjoyed every minute of their time in Wales. Each and every one of them have made us so proud and have showed our Allesley values even in the pouring rain! I have been super proud of the effort our children have put into making book marks for our world book day competition. Well done to everyone that took the time to create them please see below for our winners!

A big congratulations to our winners of the World Book Day bookmark competition, which was judged by Mrs Clay and Mrs Dhand who both work in Year 6. They were very impressed with all of the wonderful bookmarks the children made and Mrs Dhand will be creating a super display in school to proudly show them all off!

Well done to everyone who took the time to enter!

The winners below will receive a special book as their prize.

Reception - Eddie Year 1 - George Year 2 - Louie Year 3 - Oscar Year 4 - Orla Year 5 - Ella Year 6 - Tara

Our Sports Day for Nursery and Reception is on the afternoon of Thursday 3rd July at 1:45pm. On Wednesday 26th June Years 1 - 3 children have their Sports Day in the morning and years 4 - 6 in the afternoon. If weather is poor, the back up day is Tuesday 1st July. Please can you save the dates in you're diaries.

Early Years Cake Sale thank you for all your support with your generous cake donations together we have raised a massive **£465.00** towards our KS1 outside area.

Class photos please be reminded that school class photos are next Wednesday 19th March with Braiswick photography.

Don't forget, Spring disco tickets go on sale at 6pm tonight, 14th March. PTA's spring disco is at the Jaguar social club on Thursday 10th April. There will be 2 sessions: 5 - 6.30pm and 7 - 8.30pm. All children must be accompanied by an adult. Tickets cost £3.75 each, (under 3s free). Get your tickets from <http://www.pta-events.co.uk/allesleypta>.

Thanks to our egg-cellent friends at Allesley Village Post Office for donating Easter eggs to our Spring disco raffle. The Post Office have put on an amazing Easter themed display this year. Make sure you stop in and take a look!

Have a lovely weekend,

L Hoey

Headteacher

PE Days:

Reception—Wednesday & Friday

Year 1— Wednesday

Year 2— Thurs & Friday

Year 3— Friday

Year 4—Tuesday & Thursday

Year 5— Wednesday & Friday

Year 6— Friday

Year 6

Plas Dol-y-moch

On Tuesday, our wonderful year 6 children returned from their exciting residential trip to Plas Dol-Y-Moch in North Wales. They had an amazing time climbing, canoeing, kayaking and exploring in the lakes, rivers, mountains and mines of The Snowdonia National Park. They were a pleasure to be away with on this trip and the Dol-Y-Moch staff were very keen to sing their praises in terms of how they worked together to overcome the challenges before them, but also on how they lived together and shared the centre. What an adventure they had!

Celebrating our week

Year 6 have had a wonderful time at Dolymoch! We took part in a range of challenges from mountain and mining to gorge walking and beach scrambling. The weather was glorious and we had an amazing time! So many happy memories made.

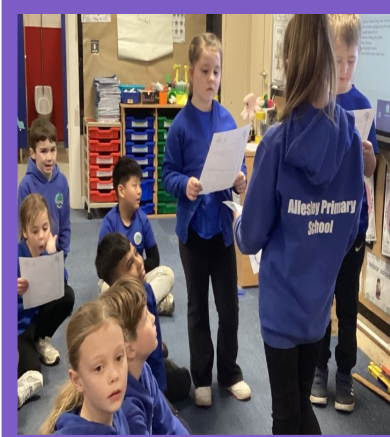

Year 3 have been making their own natural paints this week, to begin their prehistoric cave paintings in art.

The **Reception** children have been improving their skills in P.E, and have shown lots of confidence in climbing the ladder and swinging on ropes!

Some of the children in **Nursery** were playing with each others hair, so we set up a hairdressing salon where the children could make appointments, have their hair washed, (pretend) cut, styled and dried, or use the style dolls heads as their customers!

This week, **Year 1** have been using their cutting and joining skills to construct their own windmills.

This week in PSHE **Year 2** have been acting and discussing how certain behaviours make us feel.

This week, **Year 4** started their new topic in science, Living Things and their Habitats. We discussed 'What is a living thing?' and learnt about Mrs Gren - the 7 processes of how to identify if something is alive.

In **Year 5** design and technology we have been creating Pop-up books with nursery rhymes. We created leavers, sliders and pop-up interactive books and are looking forward to sharing them with younger children.
