Dear Parents, Carers, Children and Staff,

The sun is shining, the evenings are getting brighter. The children have been super busy showing us how clever they are this week, and it has been great to see parents back in school attending parents' evenings. I'm sure you will have seen and will agree with me when I say, the children of Allesley are amazing, hardworking super stars! Well done everyone!

Our Sports Day for Nursery and Reception is on the afternoon of Thursday 3rd July at 1:45pm. On Wednesday 25th June Years 1 - 3 children have their Sports Day in the morning and years 4 - 6 in the afternoon. If weather is poor, the back up day is Tuesday 1st July. Please can you save the dates in you're diaries.

Class Photo's proof's have been sent home today, if you haven't received yours today it will go home Monday. The deadline to place your order though school is Thursday 3rd April.

Mothers day gifts thank you to everyone that has placed orders, they been delivered today and will be sent home with children early next week.

Save the date Manhattan Music assemblies Ks1 piano and singers performance to parents Years 1 & 2 invited Thursday 26th June 1.15pm. Guitar performance to parents Years 3 & 4 Monday 30th June 9.15am and KS2 piano performance to parents Years 5 & 6 Friday 4th July 1.30pm.

Have a great weekend,

L Hoey

Celebrating our week

As part of their DT topic, **Year 4** designed and started to make a chassis, ready to test once completed.

This week in music **Year 1** have been learning about how to use their voices to create different sounds and characters that they have come across in stories. For example they acted out the 3 little pigs.

Year 2 have been writing catchy questions for our persuasion text.

This week in science **Year 3** set up an experiment to find out how water is transported in plants

In **Nursery** we went for a lovely walk to look for signs of Spring. We saw buds and new leaves growing on trees, blossom and daffodils. We heard lots of birds singing and we saw frogspawn in the pond.

The **Reception** children have been learning about sizes and positional language through the 3 Billy goats gruff, taking part in various activities and role playing it out.

Year 6 learned all about the heart and the importance of keeping it healthy. They learnt that it beats 100,000 times each day.

In Our computer lesson in **Year 5** this week we learnt how the Mars Rover sends pictures back to Earth using pixels.
